History

'Basant Educational Society' is a philanthropic society promoting education, art and Indian culture. Under the aegis of 'Basant Educational Society' Vidhyashram International School was inaugurated by the Chief Minister of Rajasthan Honourable Sh. Ashok Gehlot in the year 2002. In a span of decade long journey the society has developed a chain of educational and other philanthropic institutes namely "Vidhyashram International School, Uchiyarda, Jodhpur"- A school from first to twelfth standard, affiliated to CBSE, Delhi, an institute known for its

academic excellence and educational innovatives; "Vidhyashram Public School, Paota, Jodhpur"-a recognized primary school from play group to second standard, and "Vidhyashram Kidz, Uchiyarda, Jodhpur"- a pre-primary school having play group, Nursery, LKG, UKG classes. Vidhyashram has recently opened a branch of Vidhyashram Kidz at Bani Park, Jaipur, thus becoming multi-city school. A charitable School 'Gyanodya' where children of financially and socially disadvantaged society are given free education and 'Vidhyashram Cultural Society' promoting

Indian Art & Culture has also been raised by the society.

The commitment of the society towards education does not end up by developing pre-primary to senior secondary school but continues to have strong foundation by developing brilliant faculties through its "Vidhyashram Teacher's Training Institute, Uchiyarda, Johpur".

The society has always been working in accordance to norms and rules laid down by the concerned state departments.

Vision

To be the most admired school by creating adults of tomorrow who are progressive, caring and who will contribute positively to the world's society for peaceful co-existence and mutual growth.

Mission

To provide an environment for teaching-learning process, to produce humane world leaders of tomorrow who will excel in the areas of their chosen fields and facilitate them in identifying their potentials.

Infrastructure

Vidhyashram provides eco-friendly environment for nurturing the future pride of the country. It provides a suitable platform for teaching-learning process. The spacious and well ventilated class rooms supported with well equipped labs, activity rooms and playgrounds help to cover all the pre-requisites for the development of an individual student. Natural light and ventilation added with clean washrooms and potable water available through RO Systems makes the environment more hygienic. To ensure uninterrupted power supply a silent gen-set is available along with an expert electrician for safety and maintenance. Cultural programmes bring out the hidden talent of the child and to promote this the school has provision of huge

amphitheater with green rooms and sound system for indoor programme and a strong folding stage for outdoor programmes. We cannot ignore the safety and security of Vidhyashram family therefore entire premises is under the surveillance of CCT coverage and fire safety measures are taken care of. A public address system helps in routine announcements. The premises cater to the need of parking of means of transport inside the boundary for safe and controlled boarding of students.

**Vidhyashram
Public School
Jaipur**

Director, Dr. Nihali A Jain

Children are naturally creative incredibly intuitive and immensely curious. Preschool helps them to dig in the learning environment to satisfy their curiosity, provides opportunities for hands on activity to let the creativity grow and most important to feel the joy of being and learning in a safe compassionate and stimulating environment.

Location and Infrastructure

Vidhyashram Public School, Jaipur is a safe, secure stimulating place with a sprawling open ground for children to run and feel the nature and feel free to explore. This is the place where the inquisitive minds are nurtured with compassion.

Safe and attractive outdoor equipments help children in their gross motor development. Well ventilated classrooms with comfortable furniture and stimulating interior children to learn better. A cozy library filled with books building language imagination, curiosity, number skills and you have them all.

Children learn best with hands an experiences and for this the school provides an activity room where children experiment with the information acquired puzzles, flash cards, masks and other equipments for social development.

A 3000sqft. hall for skating, dance, and yoga. To prepare children for the technological advancement a computer lab has been set up where children familiarize and learn the basics.

Principal's Message

We believe

Children are incredibly intuitive naturally creative and deeply curious. They have the unlimited powers of creativity. We believe a child has its own personality in the growth of which no institution should create hindrance

Whatever is important to the student is the most important thing. When we value what they value they start giving back to us what we value?

Education and training are the keys to the future. A key can be turned in two directions – turn it one way and you lock resources away turn it the other way and you release resources give people back to themselves.

Aims that guide

Know and respect the children and these families as individuals celebrating the richness of diversity and identity.

Develop strong reciprocal and mutually trusting relationship between child, family, school and the community.

Know each child as an individual person and create trusting can take place. Value and nurture Children's curiosity creativity and desire to make sense of the world giving time for their thoughts and ideas and value to their work, their conversations and their

feelings.

Recognize and value children's competence and capability so that they develop confidence, independence and high self esteem.

Provide a well planned aesthetic motivating and versatile learning environment which supports children as active learners provoking their interest and inquiry and linking indoors with outdoors.

Offer children a wide range of learning experience so they have the opportunity to realize and expand their personal potential.

Support children in making the transition to the next phase and their education with enthusiasm and confidence following a happy and fulfilling experience. Vidhyashram Public School supports inclusive education and takes care of each child's special needs.

Education in Vidhyashram Public School

Education here develops the whole child and not just their academic abilities Vidhyashram Public School provides students with personalized compassionate, and community oriented education.

The seven areas of learning and development in VPS are-

Three prime areas first

1. Communication and language
2. Physical development
3. Personal social and emotional development

As children grow Prime areas help them to develop skills in four specific areas these are

- Literacy
 - Mathematics
 - Understanding the world
 - Expressive arts
- They learn best when they are involved and interested, secure and confident in themselves and their abilities.

VPS provides a stimulating, safe and happy environment an environment where children learn through play to live and live to learn.

Parents

Parents are regarded as children's first educators and therefore we see it as vital to work closely with parents particularly in these early days to get to know your child and family. Parents are members who have full participatory rights these include the right to be valued and respected. Consulted Involved and Included at all levels

A school with a very homely and friendly environment and very supportive faculty from bottom to top level. Vidhyashram is always innovative and creative in different curricular activities, which is an added feature.

Besides academic, special attention is given to students as per their personal expertise and interest, which helps students to explore their potentiality.

As a parent, we feel proud to be associated with Vidhyashram family and from our kids point of view, we feel safe and secured.

In short words - Overall Education in a very healthy, friendly and homely atmosphere.

विद्याश्रम स्कूल जैसा नाम वैसा ही गुण है। जहाँ पर बच्चों का सर्वांगीण विकास होता है। बच्चे ज्ञानार्जन के साथ-साथ सामाजिक विकास की ओर भी अग्रसर होते हैं। विद्याश्रम स्कूल के बच्चे देश (राष्ट्र) के विकास में भी अग्रणी भूमिका में योगदान दे रहे हैं। बच्चे स्काउटिंग क्षेत्र में अग्रणी होकर शारीरिक, सामाजिक एवम् राष्ट्र के अग्रणी विकास में भूमिका अदा कर रहे हैं। यह जानकर बड़ी ही खुशी अनुभव हो रही है कि विद्याश्रम स्कूल में अध्ययनरत छात्र राष्ट्रपति पदक स्काउटिंग क्षेत्र में पा रहे हैं। अतः मेरे बच्चे का अध्यापन विद्याश्रम स्कूल में करवाना हमारे लिये गर्व की बात है। निःसंकोच विद्याश्रम स्कूल सर्वश्रेष्ठ विद्यापीठ है।

Our daughter Mannat Semwal is student of class LKG at Vidhyashram Kidz. Being the first school of our child we were very selective in choosing the school for her. Today when she has completed two years we are proud parents to see her growing with knowledge and ethics. Vidhyashram kidz has methodology to impart education in modern ways with equal focus on Indian customs and traditions. Well – developed infrastructure, prudent amenities and affectionate coaching of caring staff has groomed our child towards comprehensive education.

We extend our sincere gratitude to the complete staff and wish successful future to all the students of Vidhyashram.

Lt. Col. Rajendra Prasad F/o Mannat Semwal class LKG

Words from the bottom of my heart for a modern ashram – that is Vidhyashram with all qualities for overall development in a child.

We are very happy as both my sons are studying in one of the best private schools in the western Rajasthan with an affordable fee. In very few years, the school has given excellent students who are studying in various fields in India and abroad. My both sons are studying in such a loving and institution where over all development takes place. It is the school from play group till twelfth. I have noticed that this is a dedicated school. I hope each and every parent should give their child the best education and a healthy environment that is pollution free. They have nice teachers, a good Principal and all good school staff which I have seen in Vidhyashram International School. The name itself is enough for Jodhpur where the success touches the toes of the students with the hard work of the teachers.
